The Impact of Family Planning Programs on Unplanned Pregnancies, see **Evaluation of Program.**

The Taste for Children, see **Value of Children.**

U.S. Births: 14 Million More Than Wanted by Mothers, Digest, p. 281.

Use of Most Effective Methods Breaks Contraceptive Failure Cycle, Digest, p. 32.

U.S. Wives 18-24 Expect 2.1 Children; Singles, 1.9, Digest, p. 133.

WFS Pakistan: Unwanted Fertility High, Contraceptive Use Low, Digest, p. 230.

Government Programming, Policy and Funding

Ask Judge to Reconsider Bar to U.S. Abortion Fund Ban, see **Abortion.**

Present Blueprint to Prevent Unwanted Pregnancy to Administration, Digest, p. 280.

The Court, the Congress and the President: Turning Back the Clock on the Pregnant Poor, see **Abortion.**

The Effect of Government Policies on Out-of-Wedlock Sex and Pregnancy, K. A. Moore and S. B. Caldwell, p. 164.

Health

British Study: Pill Has No Adverse Effects on Pregnancies, Births, see **Oral Contraceptives.**

Cigarettes Plus Pill: Deadly Combination for Women 30 and Over, see **Oral Contraceptives.**

Contraceptive Cream Useful in Helping Prevent Gonorrhea, see **Venereal Disease.**

Costs of Treating Abortion-Related Complications, see **Abortion.**

Ectopics: Fewest with Combination Pill, Most with Nonmedicated IUD, see **Pregnancy.**

Emotional Impact of D&E vs. Instillation, see **Abortion.**

Good Food and Clean Water, Bk. Rev. of: *The Modern Rise of Population*, T. McKeown, Rev. by P. R. Lee, p. 295.

Mothers' DES Use Causes Sons' Benign Abnormalities, Digest, p. 31.

New Estimates of Mortality Associated with Fertility Control, C. Tietze, p. 74.

Pill and Benign Liver Tumor Link Confirmed by 356-Hospital Survey, see **Oral Contraceptives.**

Pill-Related Deaths: More Circulatory Diseases Seem to Be Involved, see **Oral Contraceptives.**

Pill-Taking Near Pregnancy Not Linked to Birth Defects, see **Oral Contraceptives.**

Publicity and the Public Health: The Elimination of IUD-Related Abortion Deaths, see **IUDs.**

Results Similar Whether MD or Nurse Prescribes Pill, Inserts IUD, see **Manpower and Training.**

The Effect of Delay and Method Choice on the Risk of Abortion Morbidity, see **Abortion.**

Information, Education and Communication (IEC)

Desexing Birth Control, J. M. Stycos, p. 286.

Guessing and Misinformation About Pregnancy Risk Among Urban Mothers, see **Pregnancy.**

Patient Brochure, Physician Labeling Required for All IUDs After Nov. 7, see **IUDs.**

Pill Leaflet Gives Women Full Details on Side Effects, see **Oral Contraceptives.**

Publicity and the Public Health: The Elimination of IUD-Related Abortion Deaths, see **IUDs.**

Intrauterine Devices (IUDs)

FDA Approves Use of Cu-7 IUD for up to Three Years, Digest, p. 183.

Patient Brochure, Physician Labeling Required for All IUDs After Nov. 7, Digest, p. 229.

Publicity and the Public Health: The Elimination of IUD-Related Abortion Deaths, W. Cates, Jr., D. A. Grimes, H. W. Ory and C. W. Tyler, Jr., p. 138.

Results Similar Whether MD or Nurse Prescribes Pill, Inserts IUD, see **Manpower and Training.**

TCu IUD Approved by FDA After Nine Years of Testing, Digest, p. 33.

Lactation

Nursing Mothers Risk Pregnancy by 12th Postpartum Month, Digest, p. 231.

Law and Policy

Ask Judge to Reconsider Bar to U.S. Abortion Fund Ban, see **Abortion.**

High Court Says Youths Under 16 Can Buy Contraceptives, see **Teenagers.**

Restrictive Laws Hamper Contraceptive Sales in Developing World, Digest, p. 88.

Supreme Court: States Need Not Pay for 'Nontherapeutic' Abortions, see **Abortion.**

The Court, the Congress and the President: Turning Back the Clock on the Pregnant Poor, see **Abortion.**

Manpower and Training

Allow Trained Non-MDs to Prescribe Pill, British Committee Advises, see **Oral Contraceptives.**

Results Similar Whether MD or Nurse Prescribes Pill, Inserts IUD, Digest, p. 91.

The Value of Volunteers in Family Planning Clinics, E. E. Bauwens and L. H. Belt, p. 169.

Menstruation

Falling Off the Roof, Bk. Rev. of: *The Curse: A Cultural History of Menstruation*, J. Delaney, M. J. Lupton and E. Toth. Rev. by V. Ernster, p. 94.

Oral Contraceptives

Allow Trained Non-MDs to Prescribe Pill, British Committee Advises, Digest, p. 30.

British Study: Pill Has No Adverse Effects on Pregnancies, Births, Digest, p. 183.

Cigarettes Plus Pill: Deadly Combination for Women 30 and Over, Digest, p. 36.

Pill and Benign Liver Tumor Link Confirmed by 356-Hospital Survey, Digest, p. 90.

Pill Does Not Impair Future Fertility of Childless Women, Digest, p. 136.

Pill Leaflet Gives Women Full Details on Side Effects, Digest, p. 34.

Pill-Related Deaths: More Circulatory Diseases Seem to Be Involved, Digest, p. 278.

Pill-Taking Near Pregnancy Not Linked to Birth Defects, Digest, p. 132.

Results Similar Whether MD or Nurse Prescribes Pill, Inserts IUD, see **Manpower and Training.**

Population Policy

Experts Disagree on China's Birthrate, but Agree on Program Success, see **Asia.**

Paths to Fertility Reduction: The 'Policy Cube', B. Berelson, p. 214.

Pregnancy

British Study: Pill Has No Adverse Effects on Pregnancies, Births, see **Oral Contraceptives.**

Ectopics: Fewest with Combination Pill, Most with Nonmedicated IUD, Digest, p. 87.

Guessing and Misinformation About Pregnancy Risk Among Urban Mothers, H. B. Presser, p. 111.

Pill-Taking Near Pregnancy Not Linked to Birth Defects, see **Oral Contraceptives.**

WHO: Excessive Dilatation May Affect Later Pregnancy, see **Abortion.**

Rhythm

Studies Show BBT Method Fails to Pinpoint Ovulation for Many Women, Digest, p. 131.

Rural

Conferees Lay Urban-Rural Service Gap to Culture Myth, Digest, p. 282.

Sex Preferences

Preferences for Sex of Children Among U.S. Couples, L. C. Coombs, p. 259.

Sexuality

Sexual and Contraceptive Experience of Young Unmarried Women in the United States, 1976 and 1971, see **Teenagers.**

The Sexual Problems of Family Planning Clinic Patients as Viewed by the Patients and the Staff, J. S. Golden, M. Golden, S. Price and A. Heinrich, p. 25.

Time to Proceed, see **Catholics.**

Sterilization

Minilap Sterilization Is Less Risky, More Suitable for Outpatient, Digest, p. 85.

The 40 Cent Sterilization, E. Mitchell, Com., p. 235.

Teenagers

Early Childbearing and Educational Attainment, see **Fertility: Planning and Effects.**

High Court Says Youths Under 16 Can Buy Contraceptives, Digest, p. 184.

Sexual and Contraceptive Experience of Young Unmarried Women in the United States, 1976 and 1971, M. Zelnik and J. F. Kantner, p. 55.

The Effect of Government Policies on Out-of-Wedlock Sex and Pregnancy, see **Government Programming, Policy and Funding.**

Value of Children

Parents All Over World Underestimate Cost of Rearing Children, Digest, p. 227.

The Taste for Children, Bk. Rev. of: *The Demand for Children: The Economics of Fertility in the United States*, B. A. Turchi; *The Value of Children: A Cross-National Study—Vol. 1, Introduction and Comparative Analysis*, F. Arnold et al.; *Vol. 2, Philippines*, R. A. Bulatao; and *Vol. 3, Hawaii*, F. Arnold and J. T. Fawcett. Rev. by T. J. Espenshade, p. 40.

Venereal Disease

Contraceptive Cream Useful in Helping Prevent Gonorrhea, Digest, p. 34.

Join AGI as an Associate & Subscriber.

As part of its independent, action-oriented family planning research and evaluation program, the Alan Guttmacher Institute publishes FAMILY PLANNING PERSPECTIVES, PLANNED PARENTHOOD WASHINGTON MEMO and FAMILY PLANNING/POPULATION REPORTER.

You can become a subscriber to PERSPECTIVES and support the work of the Institute by becoming an AGI Associate. Your tax-deductible contribution of $25 or more a year entitles you to receive PERSPECTIVES at no additional charge and to subscribe to MEMO and REPORTER at half the regular rates.

Or, if you prefer, you can subscribe to MEMO and REPORTER at the regular rates without becoming an Associate.

Yes, I want to join AGI as an Associate and Subscriber. My tax deductible contribution of $25 or more entitles me to receive FAMILY PLANNING PERSPECTIVES at no extra charge and to take advantage of Associates' half-price subscription rates to MEMO and REPORTER. The amount checked below is my tax-deductible contribution.

☐ $25 ☐ $50 ☐ $100 ☐ Other $____

Also enter my subscription(s) at the special Associates' half-price rates:

PLANNED PARENTHOOD
WASHINGTON MEMO
☐ Institutional Associates $17.50 yearly
☐ Individual Associates $10.00 yearly

FAMILY PLANNING/POPULATION REPORTER
☐ Institutional Associates $17.50 yearly
☐ Individual Associates $10.00 yearly

Enter my subscription(s) only at the regular rates:

PLANNED PARENTHOOD
WASHINGTON MEMO
☐ Institutional $35.00 yearly
☐ Individual $20.00 yearly

FAMILY PLANNING/POPULATION REPORTER
☐ Institutional $35.00 yearly
☐ Individual $20.00 yearly
